EMERGENCY RELIEF PROGRAM

In 1999, AREA assumed responsibility for the Emergency Relief Fund at the request of the Commander, AAFES. AREA makes no decisions on how the money is used. This is done by a designated committee at the exchange affected. However, funds distribution is reported back to AREA for book keeping purposes. Both Exchange associates and retirees are encouraged to contribute.

<u>Period</u>	<u>Event Name</u>	<u>Damage</u>	<u>Location</u>	<u>Funds Raised</u>
