

# 18-005 QA PRODUCT RECALL – WHIRLPOOL KITCHEN AID KETTLE DUE TO BURN HAZARD

Date: 21 February 2018

Recall: # 18-005

**Scope:** Select Exchange Retail Stores

Whirlpool Corporation in cooperation with the Consumer Product Safety Commission has announced a recall of certain KitchenAid Electric Kettles due to burn hazard.

**Hazard:** The handle can loosen and separate from the kettle, causing hot contents to spill, posing a burn hazard.

**Description:** This recall involves KitchenAid 1.7 Liter Electric Kettles. The kettles were sold in stainless steel, red, black, white, liquid graphite and cocoa silver. Model numbers and serial numbers are located on the bottom of the kettle. KitchenAid is written on the front of the kettles. A complete list of model and serial numbers included in this recall is posted on the firm's website at <http://repair.whirlpool.com>.

UPC	ITEM DESC
883049294025	1.7 ELEC KETTLE STAINLESS STEEL
