

18-025 QA PRODUCT RECALL PRODUCT QUEST RECALLS OCEAN SALINE NASAL SPRAY DUE TO MICROBIAL CONTAMINATION

Date: 24 SEP 2018

Recall: # 18-025

Scope: WORLDWIDE RETAIL FACILITIES, DCs & ECOMMERCE

Valeant Pharmaceuticals is voluntarily recalling Ocean Saline Nasal Spray 1.5 fl. oz. and 3.5 fl. oz. due to a possibility of a microbial contamination identified as Pseudomonas Aeruginosa. The Exchange currently sells the 3.5 fl. oz.

Hazard: Healthy people can also develop mild illnesses from contact with Pseudomonas Aeruginosa, however; serious infections usually occur in people in the hospital and/or with weakened immune systems.

Incidents/Injuries: To date, no illnesses have been reported in connection with this problem. This recall is being conducted out of abundance of caution.

Description: The following product is affected.

CRC	UPC	ITEM DESCRIPTION
6853181	301875260019	Ocean Saline Nasal Spray

Remedy: Customers who purchased the product are encouraged to return it to the store where it was purchased for a full refund.

Consumer Contact: Customers who have additional questions or concerns should contact Stericycle on behalf of Valeant Pharmaceuticals at 1-888-480-2881.
