

## Unilever Recalls Select Dry Shampoos Due To Benzene

**Recall Date:** 18 October 2022

**Description:** Unilever United States issued a voluntary product recall to the consumer level of select lot codes of dry shampoo aerosol products produced prior to October 2021 from Dove, Nexxus, Suave, TIGI (Rockaholic and Bed Head), and TRESemmé due to potentially elevated levels of benzene. For a complete list of affected products please visit the [Unilever website](https://www.unilever.com/recall).

**Hazard:** Benzene is classified as a human carcinogen. Based on an independent health hazard evaluation, daily exposure to benzene in the recalled products at the levels detected in testing would not be expected to cause adverse health consequences.

**Remedy:** Consumers should stop using the affected aerosol dry shampoo products and visit [UnileverRecall.com](https://www.unilever.com/recall) for instructions on how to receive reimbursement for eligible products.

**Incidents/Injuries:** To date, no illnesses or incidents related to these products have been reported.

**Sold at:** Exchanges and other retailers.

**Consumer Contact:** If consumers have further questions, they may contact Unilever U.S. by calling (877) 270-7412, Monday through Friday, 8:30 a.m. to 9 p.m. EST.

**Manufacturer:** Unilever

**Recall #:** 22-030
