**Hazard:** The power cord can become damaged near the cord bushing, which can lead to overheating of the cord, posing fire and burn hazards. In addition, cord damage near the bushing can result in exposed copper wires, posing a shock hazard.

**Remedy:** Consumers should immediately stop using the recalled irons and visit the Steamfast or Vornado website to register for the recall and receive a refund or a free replacement iron.

**Incidents/Injuries:** Vornado has received a total of 74 reports of incidents, including 18 additional reports of the iron's power cord smoking, sparking, catching fire, or overheating at the power cord, or of the power cord becoming damaged. Vornado has received two reports of minor shocks.

**Sold at:** Exchange Ecommerce and other retailers.

**Consumer Contact:** For questions or concerns, consumers can contact Vornado toll-free at 866-827-3362 from 8 a.m. to 5 p.m. ET Monday through Friday or online at [www.steamfast.com/recalls/travelirons](http://www.steamfast.com/recalls/travelirons) to start a recall submission.
