

EXCHANGE APPROVED CARRIERS (SMALL PACKAGES/LESS THAN TRUCKLOAD/TRUCKLOAD)

In an effort to control Transportation cost within the Exchange, the following guidelines apply for shipping freight from our Exchange Distribution Centers and Stores. The outline lists the Exchange approved carriers for the Distribution Centers (inbound/outbound) and RETURN to VENDOR shipments from DCs/stores to vendors.

CONUS EXCHANGE Approved Carriers for Distribution Centers Inbound/Outbound:

Small package Carrier (shipments 0-150 lbs. and 0-15 cube):

FEDEX Ground Only- DO NOT USE FEDEX FREIGHT! 0-150 lbs.

USPS Priority Mail via Stamps.com 0-70 lbs.

Less Than Truckload Carriers (shipments 201-5000 lbs. and 15-700 cube):

UPS Freight

Other approved Commercial Carriers utilized by the Exchange LG Routers

Truckload Carriers (shipment over 5000 lbs. or 700 cube):

The Exchange Fleet

Approved Commercial Carriers utilized by the Exchange LG Routers/Exchange Fleet

CONUS RETURN TO VENDOR shipments for DC's/Stores (RA approved, Exchange is paying the freight only):

Small package – (shipments 0-150 lbs. and 0-15 cube):

FEDEX Ground – DO NOT USE FEDEX FREIGHT!

Less Than Truckload – (shipments 151-5000 lbs. and 15-700 cube):

UPS Freight

Other approved Commercial Carriers utilized by the Exchange LG Routers

Truckload – (shipments over 5000 lbs. and 700 cube):

Contact the Exchange LG Routing Section for assistance; email: zzlgexport@aafes.com

If the Exchange is not paying the transportation cost, utilize the vendor choice of carrier.

NOTE: DOES NOT apply to Store Sweeps – must have prior authorization from HQ LG Operations.
