The Exchange procurement policy is established by applicable directives and instructions promulgated by the Department of Defense. The Federal Acquisition Regulation (FAR) does not apply to the Exchange.

2. DISPUTES (FEB 18).

If Contractor cannot support all or part of its claim as a result of fraud or misrepresentation of fact, then in addition to other remedies or penalties provided for by law, Contractor will pay the Exchange an amount equal to the unsupported part of the claim and all the Exchange's costs attributable to reviewing that part of the claim.
