

18-002 QA PRODUCT RECALL – FUJIFILM ADAPTER WALL PLUG DUE TO SHOCK HAZARD

Date: 26 January 2018 Recall: # 18-002

Scope: Select Exchange Retail Stores and Distribution Centers

Fujifilm USA In cooperation with the Consumer Product Safety Commission has announced a recall of certain power adapters wall plugs sold with digital cameras.

Hazard: The power adapter wall plug can crack, break or detach and remain in the wall and expose live electrical contacts, posing a shock hazard.

Description: This recall involves AC-5VF power adapter wall plugs sold with Fujifilm digital camera models XP90, XP95, XP120, XP125, X-A3 and X-A10. The digital cameras were sold in a variety of colors. The recalled wall plugs are black and are combined with a power adapter and USB cord that plugs into the adapter. Model number "AC-5VF" is printed on the back of the power adapter. The serial number is printed on the bottom of the camera or under the battery compartment lid.

UPC ITEM DESCRIPTION MODEL

74101028812 FUJI XP90 BLUE MAB XP90
