**Scope:** SELECT WESTERN REGION RETAIL FACILITIES

**Description:** In partnership with the FDA, the Sabra Dipping Company, LLC announced a limited voluntary recall on select Classic Hummus due to potential contamination with *Salmonella* that may cause infection.

The following product sold at the Exchange is affected.

UPC	ITEM DESC	BEST BEFORE*	PRODUCTION DATE/ TIME STAMP*
040822011143	SABRA CLASSIC HUMMUS 10OZ	4/26/21	On: Feb 10 Between 18:00:27 and 23:49:00

\*Codes can be found on the top of each package.

**Hazard:** Consumption of food contaminated with *Salmonella* can cause salmonellosis. The most common symptoms of salmonellosis are diarrhea, abdominal cramps, and fever within 12 to 72 hours after eating a contaminated product. Most people recover without treatment. In rare circumstances, infection can produce more severe illness and require hospitalization. Older adults, infants, and persons with weakened immune systems are more likely to develop a severe illness. Individuals concerned about an illness should contact their health care provider.

**Remedy:** Customers should check the top of the product for the codes above to determine if it is affected. Customers who have purchased the specific recalled product are urged to return it to the place of purchase or visit [www.sabrahummusrecall.com](http://www.sabrahummusrecall.com) for product reimbursement.

**Incidents/Injuries:** To date, no illnesses or consumer complaints have been reported in connection with this recall.

**Sold at:** Exchange Facilities and other retailers.

**Consumer Contact:** Consumers can contact Sabra Consumer Relations at 1-866-265-6761 for additional information Monday – Friday from 8 AM to 8 PM Eastern Standard Time.

**Manufacturer:** Sabra Dipping Company, LLC
