

P&G Recalls Aerosol Dry Conditioner Spray Products and Aerosol Dry Shampoo Spray Products Due To Benzene

Recall Date: 17 December 2021

Description: With the knowledge of the FDA, The Procter & Gamble Company is voluntarily recalling aerosol dry conditioner spray products and aerosol dry shampoo spray products from Pantene, Aussie, Herbal Essences, Waterless, Old Spice and Hair Food due to the presence of benzene in some products. For a complete list of affected products and their production codes please visit the [FDA website](#).

The following products were sold at The Exchange:

Product Description	UPC
Waterless Dry Conditioner Instant Moisture, 3.6oz.	037000543831
Waterless Dry Shampoo No Residue, 3.7oz.	037000543787
Pantene Mist Behaving Dry Conditioning Mist, 3.9oz.	080878190898
Herbal Essences White Grapefruit & Mint Dry Shampoo, 4.9oz.	190679000262

Hazard: Benzene is classified as a human carcinogen, a substance that could potentially cause cancer depending on the level and extent of exposure. Exposure to benzene can occur by inhalation, orally, and through the skin and it can result in cancers including leukemia and blood cancer of the bone marrow and blood disorders which can be life-threatening.

Remedy: Consumers who have the products that are being recalled should stop using these products and dispose of them appropriately. Consumers should contact their physician or healthcare provider if they have any questions, concerns or have experienced any problems related to using these aerosol products.

Incidents/Injuries: To date, The Procter & Gamble Company has not received any reports of adverse events related to this recall and is conducting this recall out of an abundance of caution.

Sold at: Worldwide Exchanges, shopmyexchange.com and other retailers
