**Hazard:** The recalled products can contain Pseudomonas species bacteria, including Pseudomonas aeruginosa and Pseudomonas fluorescens, which are environmental organisms found widely in soil and water. People with weakened immune systems, external medical devices, or underlying lung conditions who are exposed to the bacteria face a risk of serious infection that may require medical treatment. The bacteria can enter the body if inhaled, through the eyes, or through a break in the skin. People with healthy immune systems are usually not affected by the bacteria.

**Remedy:** Consumers should immediately stop using the recalled Fabuloso Multi-Purpose Cleaner products and contact Colgate-Palmolive Company for a full refund or a free replacement product. To receive a refund or replacement, consumers should take a picture of the product's UPC and lot code and dispose of the product in its container with household trash. The consumer recall form can be found on [www.Fabulosorecall.com](http://www.Fabulosorecall.com). Do not empty the product prior to disposal.

**Incidents/Injuries:** To date, no illnesses or incidents related to the affected products have been reported.
