Vendor Item Enrichment Spreadsheet

User Name:	CYNERGY TRADING CORP
Vendor Name:	CYNERGY TRADING CORP
Download Date:	8/31/17 2:52 PM

This spreadsheet contains one or more sheets with item data that can be altered, validated and subsequently uploaded to the Web UI. Also, you can add new Items to the sheets. It is strongly recommended to validate the data (by clicking the Validate button) before upload to the Web UI.

The functionality of this workbook may be reduced if Macros are disabled. To enable Macros you will need to select Enable Macros in the the security dialog that appears when opening the spreadsheet. Please be advised this workbook contains no harmful macros

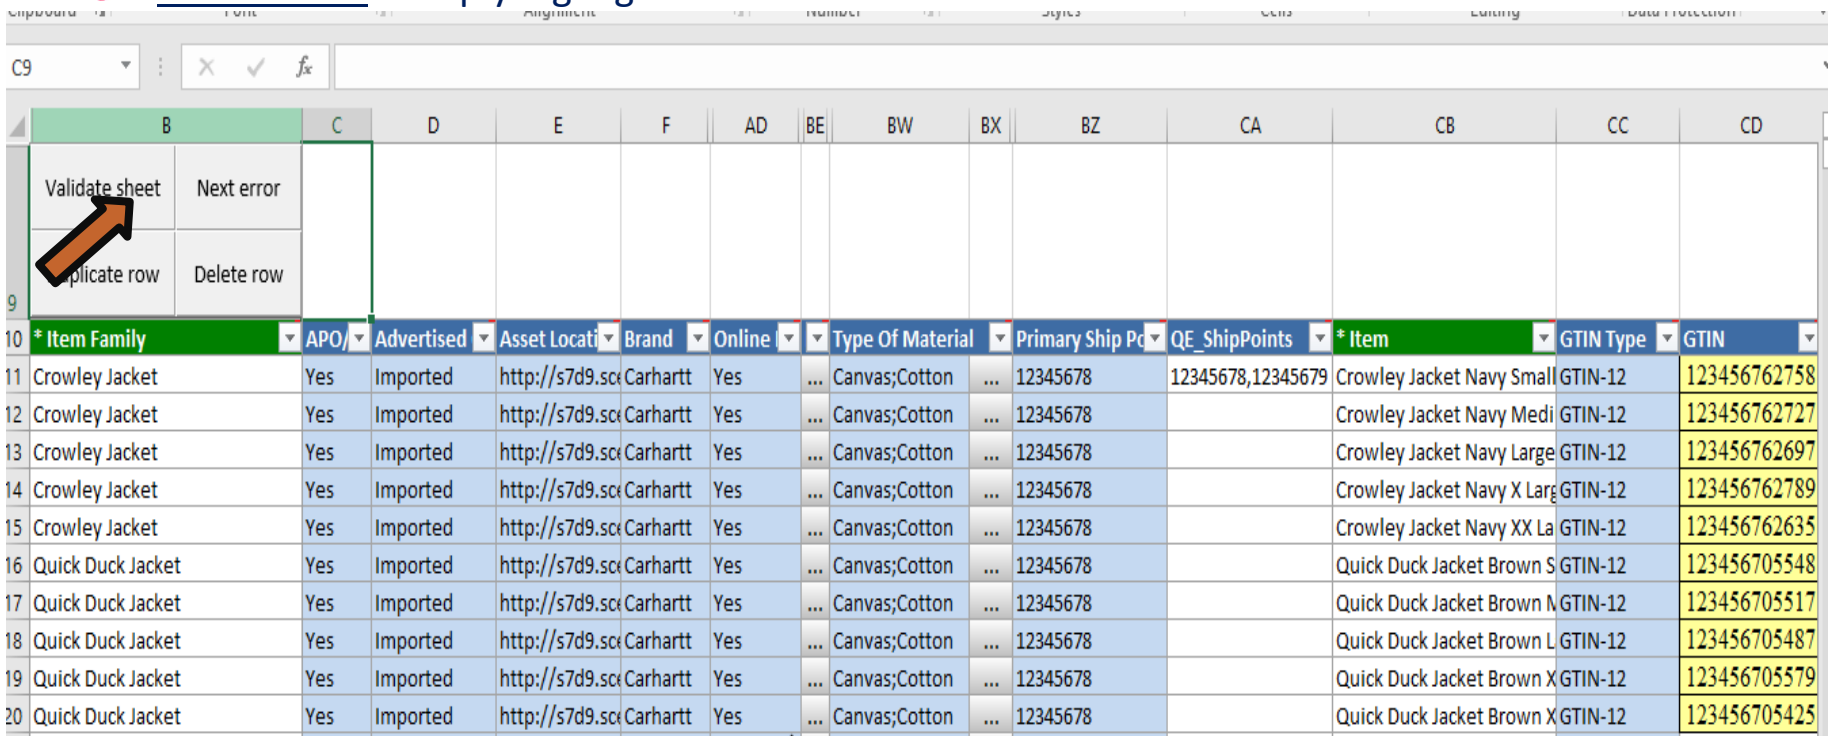

Color Codes:

- Blue = Mandatory. Information must be added.
- Yellow = Read Only. Information can not be altered.
- Yellow with grey text = Conditionally Read Only. Information can not be altered.
- Red = The cell holds data that failed the validation.

Cover Arts Crafts Variety Packs

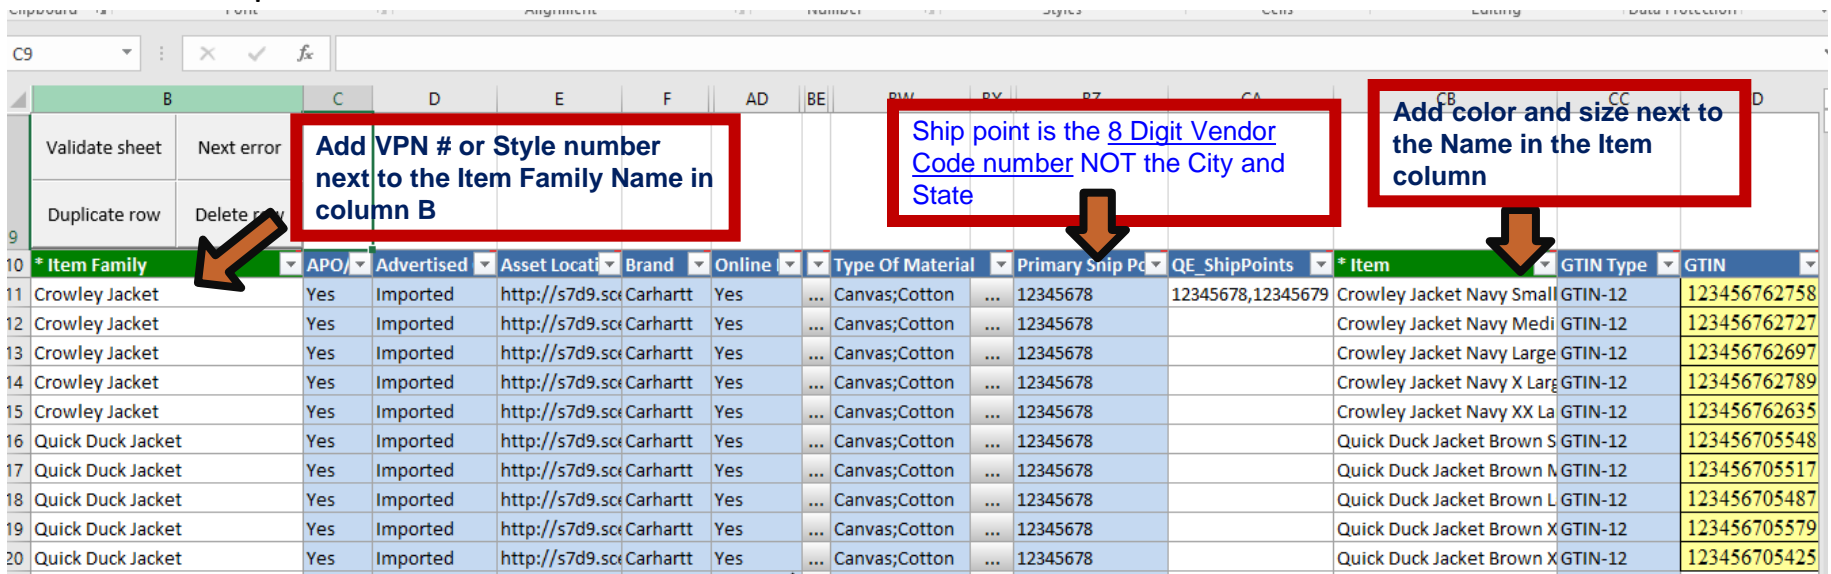

› **Note: Validate Sheet, Next Error, Duplicate Row, Delete Row**

- › Validate Sheet – Once smartsheet completed click validate sheet, It will ask you for user and password (which is what you signed into PIM with) this will indicate errors in red and or show product OK
- › Next Error - Allows you to see each error without having to scroll to locate each error on the smartsheet
- › Duplicate row – if all data is the same just the UPC, color and child item name is different you can highlight the completed row then click duplicate row.
- › Delete Row – simply highlight the row and click delete row

## › Example of Error on Smartsheet

- › Item Family column will be hi-lighted in Red, meaning there is an error in the data, does not mean the Item Family name is incorrect.
  - › Errors will be highlighted in red
- › Click on Next Error tab, this will take you to the column that has the error.
  - Example: this error is the Primary Ship point...should be the 8 digit number also the child item description is missing.*
- › Once corrected, click Validate Sheet and **SAVE** file again

- › (A) Under Vendor Workflow, item review, Normal column click on the number
- › (B) Check on select all or (C) check the items in dark grey that you want to submit
- › (D) The icon “Submit to next state in workflow” will appear, click the icon to submit to the next workflow for the pod review
- › (E) Click okay, no need to enter a message

The screenshot shows the EXCHANGE Vendor Workflow interface. At the top, there are two panels: 'Welcome' and 'Vendor Workflow'. The 'Vendor Workflow' panel has tabs for 'Initiate New Items' and 'Item Review'. Under 'Item Review', there are columns for 'DSDPriority', 'HighPriority', and 'Normal'. An arrow labeled 'A' points to the number '4' in the 'Normal' column. Below the panels is a toolbar with icons for 'Select all', 'Clear filter', 'Apply view', 'Clear view', 'Export action', and 'Submit to next state in workflow'. An arrow labeled 'B' points to the 'Select all' icon, and an arrow labeled 'C' points to a row of items in the table below. An arrow labeled 'D' points to the 'Submit to next state in workflow' icon. A 'Submit Properties' dialog box is open over the table, with an arrow labeled 'E' pointing to the 'OK' button. The table has columns: 'Assigned to...', 'Thumbnail', 'Name', 'Item/Item Fa...', 'Status flag', 'Deadline', and 'Supplier Nbr'. The table contains several rows of items, with the last three rows checked.
