Subject: Vendor Compliance Rate Increase for DC Infractions

Suppliers:

Due to increased distribution costs, beginning 1 April 2015, the Exchange will be adjusting Vendor Compliance rates for distribution center (DC) infractions which have remained constant since the program was introduced in 2006.

Only DC rates will be affected, all other recovery rates will remain the same.

All compliance rates are posted in the Vendor Compliance programs in the Exchange Partners On-Line (EPOL) and the "Doing Business with the Exchange" sites listed below.
